

King's Cove Community News October 2022

Dear King's Cove Resident,
It's been another interesting year with Hurricane Ian causing damage throughout our state. Luckily, we did not take the brunt of this storm. Seminole County has contracted for debris removal however, we have not yet received a pick-up schedule for our area. Several other issues currently being addressed by the board include:

Pond Maintenance

The board has contracted with Lake Doctor to release algae-eating fish into the ponds. Lake Doctor explained this is not an overnight fix so be patient as the fish eat through the algae. Cooler weather will also help with the algae infestation. Once the algae level has been reduced, the fountain will be fixed and operational. Until such time, Fountain Doctor has warned that the fountain continues to get clogged with algae.

Lights

As our days get shorter, the light poles play a more important role for our evening walkers. As of their last communication, Seminole County is waiting for Duke Energy to provide date for installation of the LED bulbs.

Please attend the upcoming King's Cove Homeowners Meeting for more information.

King's Cove HOA Board of Directors

King's Cove Homeowners Association will hold its annual board of director elections **November 3, 2022**, at the annual meeting. Please see meeting information on the back.

To have your name added to the official ballot to serve on the board of directors, please email your name and address to admin@kings-cove.org **No Later Than Friday, October 21, 2022. Ballots will be delivered to all homeowners the following week.** If you want to get involved but not yet ready for a board position, we have several standing committees. Email us if you are interested in serving on one of these committees: Architectural Review Committee, Maintenance Committee and Social Committee.
